

## Welcome

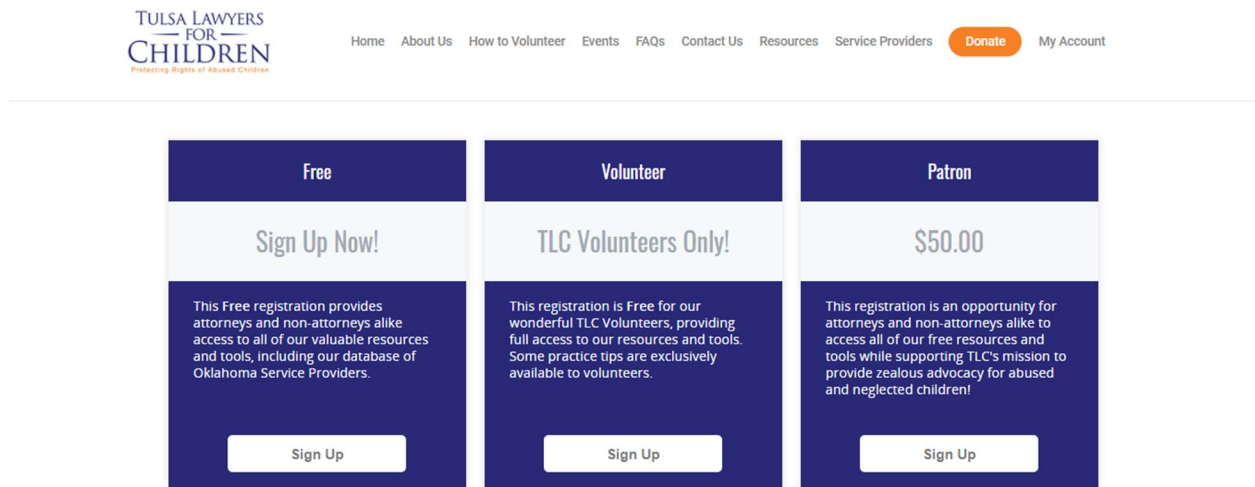

Welcome to the Resources Page of the Tulsa Lawyers for Children website. Tulsa Lawyers for Children, affectionately known as TLC, is a nonprofit dedicated to ensuring effective and zealous legal representation for maltreated children of Tulsa County.

With financial assistance provided by the Flint Family Foundation and the dedication of a team of volunteers TLC developed this online resource for anyone involved in the Oklahoma child welfare system. TLC believes the more informed attorneys, parents, children, or foster families are, the better the outcomes for Oklahoma's children.
